### Unchanging

Copyright 2006 ServantSong / Dave Gawron

No matter what might happen  
What crosses I am meant to bear  
No matter what I say or do  
No matter which commands I break  
You're there. You are there.

I stumble in the darkness  
Reaching out to hold you near  
You shine your light upon me  
Your glory overwhelms me  
You are there. You are there.

**Unchanging, I know that You'll always love me.  
Unchanging, I'll never be alone.**  
Unchanging, Your forgiveness and Your mercy.  
Unchanging, forever they'll go on.

Sometimes I am lonely  
Sometimes I am lost and scared  
Sometimes I am tired  
Sometimes life seems hopeless  
But You're there. You are there.

I cannot escape You  
You've put Your mark upon my head  
I run and find a place to hide  
You find me every time  
You are there. You are there.

Every morning, the sun comes up.  
Every night, the sky grows dark.  
Every promise You've made, You've never broken.

### Glory Be

Copyright 2006 ServantSong / Dave Gawron

Glory Be to the Father. Glory Be to the Son.  
Glory Be to the Holy Spirit, Glory Be to the One.  
**To the One who is Three, eternally,  
Glory Be to the Father, Son and Spirit.**

God so loved the world, He gave us His only Son. Jesus Christ.  
He who believes in Him shall never die,  
but shall have eternal life.

Jesus paid the price, the ultimate sacrifice.  
He laid down His life for us.  
Lamb of God you take away the sins  
Have mercy on us.

Holy Spirit give us wisdom.  
Holy Spirit give us strength.  
Holy Spirit give us peace in our hearts.  
Holy Spirit give us life.

### Another Sunny Day

Copyright 2006 ServantSong / Dave Gawron

Thoughts, they flow like water through my head  
Crashing against the rocks around the bend  
Washing upon the shore  
Carrying what's in store  
I love you more and more every day

**Another Sunny Day inside my heart now that you're with me**  
I never thought I'd feel this way, and now I'll never let you go  
I'll stand by you no matter what

I set myself down at your feet and wait  
For you to tell me what will be my fate  
The future scares me so  
I just want to know  
Where my path will lead and where I'll go

Sometimes the clouds roll in, and showers start to pour  
But then you shelter me -- Our love grows more and more

### The Way

Copyright 2006 ServantSong / Dave Gawron

What can I do, Lord? That hasn't already been done?  
What can I say, Lord? That hasn't already been said?  
What can I do? What can I say?  
You have paid my debt. How can I repay Your love?

**You are the way, Lord. You are the truth and You're the life,  
You give us strength, Lord. Within Your body and Your blood.**  
You are the way. You are the truth.  
I shall never die. All because of You, my love.

You are the way. You are the truth.  
You are the life. You are my Lord.

I find myself, Lord. Unworthy of Your precious love.  
I just can't understand. How You've forgiven all my sins.  
Your mercy cleanses and purifies.  
Nailed to a cross, for my sins You died, my love.

### Spanish Sunset

La la la la la la. (x3)

Looking at the sun as she falls from the sky,  
Lookin' up as she wanders in the night.  
I'm so grateful for the Grace that brought you here,  
Brought you here with me today.  
Now I see the Spanish sunset in your eyes,  
I see the glowing glimpse of teardrops.  
I wonder, "Why now are you cryin'?"  
The Glory of His hand is over you right now.  
I watch the Spanish sun caress your lovely hair.  
Waves crashing on your ankles at your feet.  
Watching you, so pretty standing there,  
As God above turns day into night.

Now another Spanish sun sets in the night,  
Just a glimpse of our Creator's love and might.  
Now another Spanish sun sets in the night,  
Just a glimpse of our Creator's love and might.  
La la la la la la. La la la la la la.

There I sit on Spanish beaches next to you,  
I hold the sands in my hand and wonder who.  
I rise up and realize that God was once this way.  
He was once a man that walked upon this earth.  
All he saw was hurt and anguish and pain.  
Then He brought us life and gave us joy again.

**And when the light fades away,  
I drop to my knees and pray  
that you and I will share eternity in heaven someday.**

Seeing things that God created,  
Holding sand drops in my hand.  
Realizing that I'm one of them.  
We're all dust and unto dust He has created us.

Black Crow On A Wire  
Copyright 2006 ServantSong / Dave Gawron

I'm sitting here like a black crow on a wire,  
Watching the world roll by down below.  
In the freezing wind and the pouring rain,  
I hope and pray that I'll fly again.  
I'm just sitting here like a black crow on a wire.

I know it's hard, yeah, I know it's not that easy  
To change the path you've been stumbling down for so long.  
Just when I think I can turn over a new leaf,  
Everything that felt right is suddenly wrong.

Now I've heard it said that love is forever.  
I've been waiting here forever and a day.  
I can see your love has been here all along, now  
But before, I couldn't see the forest through the trees.

Heart's On Fire  
Copyright 2006 ServantSong / Dave Gawron

I was walking into town one day  
When a lonely man was coming my way.  
He said "My name is Francis and God loves you".  
I said "I don't believe you, you're just a fool."  
And as his steps receded along the rocky path  
His voice reached out to me and stopped me in my tracks,

He said "My heart's on fire, my heart's on fire for the Lord.  
Oh yeah, my heart's on fire, my heart's on fire for the Lord."  
My heart's on fire, my heart's on fire for the Lord.  
Oh yeah, my heart's on fire, my heart's on fire for the Lord."

His words tugged at my soul all day,  
So I got down on my knees and prayed.  
The veil of darkness was ripped away,  
I couldn't believe it when I heard God say;  
He said "I absolve you from all your worldly sin  
Just give your life to me and win your salvation".

At The Hour Of Our Death  
Copyright 2006 ServantSong / Dave Gawron & Jim Moran

Time stands still from where I lay  
I feel my life slippin' away  
The Holy Spirit breathes into me, O Lord  
My bruised and battered soul is set free  
In communion with all the angels and saints  
I feel the Raw and Pure Energy  
I feel the overwhelming desire, O Lord  
Your hands lift me higher and higher

It's only now that I realize  
I see eternity in Your eyes  
I've never been, but I feel like I've been here before  
And into Heaven my soul soars

I think of all I did with my life  
All the blessings, all of the gifts  
All the sorrow, and all of the pain  
But I pressed on, my love never strayed  
My prayers are answered, my debt is paid

The broken shackles of humanity  
Cannot compare to what lies ahead -- And I heard the word He said

Oh God above, take my life, take my life up to heaven above,  
Alleluia, alleluia.  
I lay myself down at Your throne and offer up all of my heart,  
All of my soul, all of my praises.

Angelsong  
Copyright 2005 ServantSong / Dave Gawron

When I'm with you I hear the angels sing.  
When you're not around, the wind whispers your name.  
Oh, you know your name is written on my heart.  
You'll never be alone; we'll never be apart.  
Forever I will be with you.

Words can say how much I love you.  
Actions can not do enough.  
I thank God for bringing us together here.  
It's all part of his plan, so we should have no fear.  
I want to spend my life with you.

You Are The One  
Copyright 2005 ServantSong / Dave Gawron

There's an empty part inside my heart  
That only You can fill.  
I feel like a gerbil runnin' in its little wheel.  
No one's ever loved me quite as much as You do  
I hope you know I love You too.

You are the one that makes my life worth living.  
You are the one, who's always been forgiving,  
You are the one that eases all my pain.  
You bring me sunshine and take away the rain.

There were times I let you down,  
I kicked you out the door.  
I gave into temptation and you loved me even more.  
In your endless mercy, you took me in your arms,  
And sheltered me from any harm.

You are the one that makes my life worth living.  
You are the one, who's always been forgiving,  
You are the one that eases all my pain.  
You bring me sunshine and take away the rain.
